In re Patent Application of

REHM

Atty. Ref.: 3652-50

Serial No. 10/525,955

TC/A.U.: 1652

Filed: March 31, 2006

Examiner: Meah, M.Y.

For: PROCESS FOR THE PRODUCTION OF BIODEGRADABLE,
FUNCTIONALISED POLYMER PARTICLES, AND USE THEREOF AS
PHARMACEUTICAL SUPPORTS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

INFORMATION DISCLOSURE STATEMENT

As suggested by 37 C.F.R. 1.97, the undersigned attorney brings to the attention of the Patent and Trademark Office the references listed on the attached form PTO/SB/08a.

This is not to be construed as a representation that a search has been made or that no better prior art exists, or that a reference is relevant merely because cited.

The Examiner is requested to initial the attached form PTO/SB/08a and to return a copy of the initialed document to the undersigned as an indication that the attached references have been considered and made of record.

Respectfully submitted,

NIXON & VANDERHYP.C.
